Age: 7-8 years

Management announcement

The original activity in this category required children to give a Quiz on a Free-App available on Android Play Store & Apple App Store.

Due to Google Ads Personalization, some of the ads being shown during the app usage were found to be inappropriate & hence this activity is being discontinued from the championship.

All participants with at least 1 submission in the current Championship in this age category for any activity (Activity 1 to 30) would be provided “Ex” rating for this activity by default to ensure neither the children who have already participated are at disadvantage nor are the children who are competing in the event & planned to attempt this activity later are at any disadvantage.

We wish to inform that such issues were not found during the activity design & testing phase & is a subsequent development due to changes/modifications/personalization by Google Ad Engine.

We regret the inconvenience caused.
