National All Rounder Championship

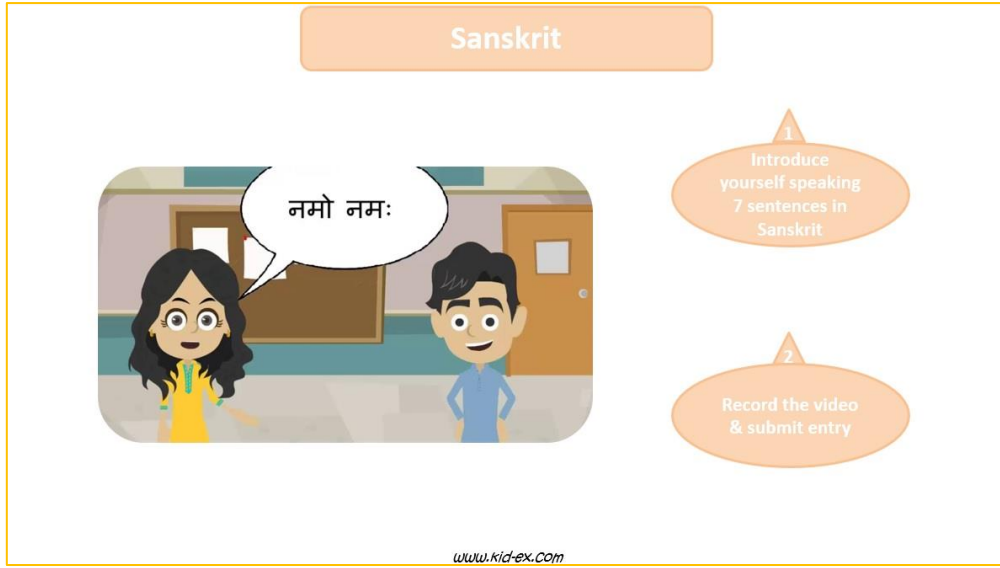

1 May 2021 - 31 July 2021

Self-Learning Manual: Activity 02

Language & Communication:

Sanskrit

Age: 9-11 years

Activity description

The child is required to speak any of the 7 sentences introducing self out of the 10 given sentences: (1) My name is _____ (2) I am a boy/girl (3) I am ____ years old (4) I live in ____ city (5) My father's name is _____ (6) My mother's name is _____ (7) I study in _____ school (8) I am in class ____ (9) I like ____ a lot (10) I want to become _____. The child has to speak in Sanskrit language with correct pronunciation.

All the sentences should be narrated from memory by the child & not read from anywhere nor prompted by any another person. All the sentences should be recorded in one go i.e. no separate recording for each sentence is allowed. No video editing software use is allowed.

Whenever the child is ready, record a video of the child speaking the sentences in Sanskrit & submit the video.

50% bonus marks: If the child securing an M can speak all the 10 sentences (out of the given 10) in Sanskrit with correct pronunciation following all above instructions

Expert coach speaks

Sanskrit stands out above all other languages for its beauty of sound, precision in pronunciation and reliability as well as thoroughness in every aspect of its structure.

All languages keep changing beyond recognition. They change because they are defective. There is only one language which is considered the most perfect language of Mankind ever – Sanskrit.

The precision of Sanskrit stems from the unparalleled detail on how the actual sounds of the alphabet are structured & defined.

Key benefits of this activity

The activity benefits in many ways:

- Improves memory
- Increases size of brain associated with cognitive functions
- Considered to be the best language for Artificial Intelligence
- Enables identifying the hidden gems in Indian Vedic scripts
- Opens access to literature matchless in wealth
