Activity: Record a video of the child sharing his/her views on Corona | Cognitive skills | 3 years

Skill development milestone

The child can say his/her first name and age by this age. They can also recognize and name familiar objects. They can screw, unscrew jar lids or door handles.

The child can work with toys with levers, buttons and moving parts. They also play make-believe with toys, people and animals. They can solve puzzles with 3-4 pieces.

Child listens attentively to age-appropriate stories. Child makes relevant comments during stories, especially those that relate to home and family events. The child enjoys stories with riddles, guessing, and "suspense." The child can answer questions like "What are you doing?", "What is this?", and "Where?" questions dealing with familiar objects and events.

Activity description

The child needs to share his/her views on Corona Virus.

Ask the child whether Corona Virus is good or bad. The answer does not matter & the child can answer either yes or no. Post the child's answer, ask the child why he/she thinks so.

The intent of the activity is to inculcate logical reasoning in the child & not test knowledge of the child related to the topic. So, keep asking the child "Why" till he/she shares an acceptable reason for the answer (yes/no).

KidEx Do-It-Yourself National Challenge 2020

Assist the child in answering “Why”. Share valid arguments so that the child can differentiate between logical reason & knowledge about Corona Virus. E.g. “We should wash our hands” is not a correct answer but “Due to Corona Virus, we wash hands properly” is a correct answer.

When you feel that the child is ready to record his message, record a video of the child sharing his/her views.

The video should be submitted as an entry as per submission guidelines.

You may share the video with family (1st circle), relatives & close friends (2nd circle) or acquaintances (3rd circle) as desired by you. Or post the videos on social media (public), if you wish, with the hash tag #KidExDIYChallenge or #KidExDIYNationalChallenge.

Submission guidelines

1. You can record one common video of the child for this activity
2. Keep the total video size less than 20 MB
 - a. Higher resolution camera creates large size video files
 - b. Android users can install & use Camera MX player to record smaller size video files
 - i. Camera MX player can be downloaded from [here](#)
 - c. Iphone users should change resolution setting by going to Settings -> Camera & selecting lowest resolution from “Record Video” option
3. You can upload the video file at <https://www.kid-ex.com/diy-nc>
4. Kindly ensure you have registered for the event for us to assess the submission. If not registered, please visit <https://www.kid-ex.com/diy-reg> to register. New registrations allowed till 30th May.

Self-learning manual

Common mistake and things to keep in mind in this activity are:

1. The child does not know about Corona Virus
2. Child is unable to differentiate between reason for liking/disliking Coronavirus and facts about Coronavirus
3. The child is shy & feels that he/she will come across as funny & hence, not willing to try the activity
4. Child is not in the right mindset while learning

Key coaching tip to excel in this exercise is that educate the child about Corona Virus. Proactively, share both good things & bad things about Corona Virus with the kid.

Good things:

1. Papa & mummy are spending more time with the child
2. Pollution has reduced on Mother Earth
3. Animals who were dying have started to increase
4. People have become fitness & health focused
5. New hospitals are being made
6. Scientists are learning to make new drugs faster

Bad things:

1. People with weak immunity are getting infected & some are dying
2. People are losing jobs as businesses are impacted
3. People are not meeting each other / socializing enough
4. People cannot go out to eat food at their favorite restaurant
5. People are worried about their health & safety

KidEx Do-It-Yourself National Challenge 2020

Key benefits of this exercise are:

- Improving learners' ability to form balanced, informed arguments and to use reasoning and evidence
- Developing effective speech composition and delivery
- Improving rigorous higher-order and critical thinking skills
- Enhancing the ability to structure and organize thoughts
- Increasing learners' confidence, poise, and self-esteem
- Enhancing learners' analytical, research and note-taking skills
- Providing an engaging, active, learner-centered activity
- Gaining broad, multi-faceted knowledge cutting across several disciplines outside the learner's normal academic subjects

Entry evaluation guidelines

The maximum point for this activity is 20. Every entry would be rated as either:

1. Master (M): 100% score
 - a. The child can share 3 logical reasons to support his/her answer
2. Intermediate (I): 80% score
 - a. The child can share 2 logical reasons to support his/her answer
3. Beginner (B): 50% score
 - a. The child can share 1 logical reason to support his/her answer
4. Not applicable (NA): 0% score
 - a. All other submission cases
 - b. No submission.

		✓ German	
		✓ Spanish	

About KidEx Do-It-Yourself National Challenge

The event is an effort to spread awareness regarding **need for all rounded development of the child**. This is also, designed keeping in mind the current external scenarios where lockdown/no lockdown, social distancing practices would continue & schools/colleges might be shut for a few months which would require parents to find non-screen time learning opportunities for the child while demanding lesser time for parents allowing them some breathing space for themselves.

The event is open to all Indian citizens in India or abroad across age groups of 3 to 17 years. Basis the submitted entries, for every age, a leader board would be created & declared.

You may share your entries (video/images) with family (1st circle), relatives & close friends (2nd circle) or acquaintances (3rd circle) as desired by you. Or post the videos on social media (public), if you wish, with the hash tag **#KidExDIYChallenge** or **#KidExDIYNationalChallenge**.

Prizes & certificates

We will conduct two versions of the event for all interested parents. Parents can decide whether they want their child to participate in the paid version or the free version of the event. Entry charge for paid version of the event is INR 500 for every child.

Paid version participants would be eligible for:

1. Prizes for winners across all age category
 - a. Number of winners linked to number of paid version participants
 - b. 50% of registration fees to be distributed as prize to winners
2. Winner & participation certificates
3. Assessment score for every submitted entry & leader board position summary

Free version participants would be eligible for:

1. Assessment score for every submitted entry

KidEx Do-It-Yourself National Challenge 2020

Even participants interested in paid version would be required to pay the amount after 7th May allowing them opportunity to participate first & then, decide.

Important notes:

1. Re-submission: KidEx will provide weekly status on Tuesday / Wednesday for all entries made till Sunday midnight of previous week. KidEx DIY aims to inculcate culture of self-learning & 1% improvement every day in each & every child. If you wish to re-submit the entry for any activity to give the kid an opportunity to better her/his performance and aim for M, we would be supportive and do not mind the additional effort on our part to re-do the assessments. Feel free to re-submit the entry.

2. Conversion to paid version: Should you wish to convert to paid participation (Rs 500/- only), or make payment for your paid participation, simply visit <https://rzp.io/l/KidExDIY> and make the payment by providing your registered email address, mobile number & child name. KidEx team will ensure that your payment is duly recorded & reflected in your participation.

3. Respecting your choice: If you have been registered with KidEx for more than 7 calendar days as unpaid participant and have not submitted even 1 entry, we will respect your choice and will not share challenges with you going forward. Should you wish to re-start receiving challenges, simply make submission for any one challenge or convert to paid participation.

4. Unsubscribe option: Should you wish not to receive DIY events email from KidEx, simply send an email with subject "Unsubscribe" from your registered email address to info@kid-ex.com.
